Specifications

Model	Dimensions	Capacity	Temperature range	Voltage	Weight
SR40VG	25" x 23.5" x 72.5"	13.5 Cu. Ft	35°F–46°F	110.0	150 Lib

- **Roomy Interior:** this refrigerator offers generous storage space for a wide range of items. Each shelf supports up to 132 lbs.
- **Energy Saving:** this unit is built for energy efficiency, helping lower your electricity bills.
- **Durable Triple-Paned Glass Door:** The door is constructed with triple-pane Low-E glass for enhanced insulation and strength, while still allowing clear visibility of the contents.
- **Accurate Temperature Control:** Easy-to-use mechanical controls let you set and maintain temperatures between 35°F and 46°F, keeping your products at their ideal temperature.
- **Bright LED Lighting:** Energy-efficient LED lights positioned at the top provide excellent illumination, making your products stand out.
- **Built-In Security Lock:** Comes with an integrated safety lock to protect contents and prevent unauthorized access.

- Not suitable for installation in non-commercial or residential applications.

Genkraft reserves the right, without notice to make changes and revisions in product specifications, materials, pricing and design, which in our opinion will provide better performance, durability and efficiency.
